

First Announcement and call for registration of the
8th Kudowa Summer School
“Towards Fusion Energy”
Kudowa Zdroj, Poland, September 21-25, 2009

General Information

The Polish Association EURATOM/Institute of Plasma Physics and Laser Microfusion (IPPLM, Warsaw, Poland), together with Czech and Hungary EURATOM Associations and International Centre for Dense Magnetised Plasmas (ICDMP) are organizing the 8th Kudowa Summer School "Towards Fusion Energy", which will be held in Kudowa Zdroj (a small resort city at the Polish-Czech border), Poland, on September 21-25, 2009.

The school is designed for young scientists from different countries, and it will concern mainly various aspects of a fusion energy, plasma experiments, and technology. During special sessions the participants will have possibility to present short (20-30 minutes) talks about their research activities.

As an accompanying event a discussion panel on Prospects of Fusion Energy will be organized within the frame of the “Foresight for Fusion Energy” project sponsored by the Ministry of Science and High Education.

The foreseen topics are as follows:

- Fusion energy
- Magnetic Confinement Fusion
- ICF Fusion, Principles and Experiments
- Fusion Technology
- Plasma Diagnostic Techniques

The School will be leaded by Dr. Jef Ongena (EFDA, Close Support Unit at Cullham, Cullham, UK)

Payments

The participation fee is **1500 zł** and it will cover the accommodation, full board and travel Prague – Kudowa Zdroj – Prague (by a tourist coach).

As an exception it will be possible to pay on the registration desk.

For young participants from developing countries a limited financial support will be available (special applications sent to the LOC is necessary – appropriate forms will be distributed on request).

The deadline for the final registration April 30th 2009.

Information about financial support will be given before 15th May, 2009.

Presentations

Participants are kindly asked to send a title and a short abstract (1 page in Times New Roman, 12pt, single spaced) of their proposed presentation before **August 1st, 2009**.

How to reach Kudowa Zdroj?

Kudowa Zdroj is a small resort city at the Polish-Czech border. The closest airports are in Prague (Czech Republic), Wrocław(Poland), and Warsaw(Poland).

From Prague:

The special bus (labeled with the School name) will be waiting for our guests on Sunday, 20 September.

The bus from Kudowa Zdroj to Prague will leave on Saturday, 26 September. The departure time is 10:00 a.m.
