Dear Colleagues,

Subject: Renewal of the Leadership of the EFDA Task Forces and Topical Groups

At its meeting held in Dublin on 23rd of June 2010, the EFDA steering committee was informed that the term of the EFDA Task Force Leaders and Topical Group Chairs is up for renewal at the end of 2010. The EFDA Steering Committee had approved the creation of the EFDA Diagnostics, MHD and Transport at its meeting held in Riga on 25-26 October 2007 (EFDA (07) 35/5.5) and the respective terms of reference; and the continuation of the ITM and PWI Task Forces as Task Forces under the new EFDA. Further revision of the terms of reference could be envisaged later in the year, in view of the revised objectives of the EFDA Work Programme.

In view of preparing the renewal of the Leadership of the EFDA Taskforces and Topical Groups aiming at appointing new leadership at the next meeting of the EFDA Steering Committee in October 2010, I would like to invite you to nominate candidates for the following positions:

- Chair and Vice-Chairs of the EFDA Transport Topical Group,
- Chair and Vice-Chairs of the EFDA MHD Topical Group,
- Chair and Vice-Chairs of the EFDA Diagnostic Topical Group,
- Leader and Deputies of the EFDA Plasma Wall Interaction Task Force,
- Leader and Deputies of the EFDA Integrated Tokamak Modelling Task Force.

I would appreciate receiving your nominations by Friday 23rd of July 2010.

Please send your responses including a CV of the candidates in copy to the EFDA Responsible Officer Duarte Borba (Duarte.Borba@efda.org) and EFDA Administration (Bertrand.Franel@efda.org).

Please note that the interviews of the candidates will be conducted on 1-3 September 2010.

Sincerely yours,

Francesco Romanelli
EFDA Leader
