

**Subject: EFDA Work programme 2012**

**Call for participation: EFDA Fusion Researcher Fellowship**

Dear colleagues,

Regarding the EFDA Fusion Fellowship programme, please find enclosed the following information

- Call for participation
- Guideline for applicants

Proposals are to be sent by e-mail to the EFDA administrator ([bertrand.franel@efda.org](mailto:bertrand.franel@efda.org)) not later than 30 September 2011.

Please note that, although the EFDA Workprogramme 2012 approved at the last EFDA Steering Committee meeting foresees about 10 fellowships to be awarded, since the Fusion budget has not been yet finalised, I am unable to confirm at the moment the number of fellowships that EFDA will be able to support. In agreement with the EFDA Chair and the European Commission I am launching the call at this stage to avoid delays in the implementation of the scheme.

Should you have any questions, please send them to [bertrand.franel@efda.org](mailto:bertrand.franel@efda.org).
