Dear Sirs,
we'd like to bring to your attention that the preliminary programme of
the conference FDT1 is now on the web at the page:
<http://cfdt.frascati.enea.it> .

The aim of this interdisciplinary conference is to bring together
different scientific communities: laboratory plasmas, fusion research,
astrophysics, nuclear particle physics, accelerators, lasers, medical
equipments, to discuss diagnostic measurements and technologies with a
view to defining new strategies of common interest.

Hoping to see you in Frascati we send you our best regards

Donatella Pierluigi
CFDT Secretary
