**To the Heads of Research Units in EU Fusion
Associations and to the Representatives of the
New Member states and associated countries**

Via Email

Dear Colleagues,

**23rd IAEA Fusion Energy Conference in Daejon, Republic of Korea,
11-16 October 2010**

The next IAEA Fusion Energy Conference is to be held in Daejon, Republic of Korea, 11-16 October 2010. It is expected that the International Programme Committee will meet in April to select contributions.

The EFDA steering committee, at its meeting in Riga on 25-26 October 2007, decided that EFDA should organise the European pre-selection of papers for the IAEA Fusion Energy Conferences. For the FEC 2010, EFDA is launching the first steps of the European papers pre-selection. Although the European members of the programme committee are not yet nominated by the IAEA-IFRC, we anticipate that a meeting to review the European contributions will be held in March 2010.

Therefore, I would invite your association to prepare and submit contributions to the 23rd IAEA FEC to EFDA (Duarte.Borba@efda.org) no later than **Friday 26th February 2010**.

With my best regards,

Jérôme Paméla
EFDA Leader
