**To the Heads of Research Units in EU Fusion  
Associations and to the Representatives of the new  
Member states and associated countries**

**Via Email**

Dear Colleagues,

**Subject: Meeting of the Heating & Current Drive and Fuelling & Pumping Topical  
Group 8-11 February 2010, in Cadarache, France**

On behalf of the Heating & Current Drive and Fuelling & Pumping Topical Group Chair, I wish to inform you that a Meeting of the Heating & Current Drive and Fuelling & Pumping Topical Group will take place on 8-11 February 2010, in Cadarache, France.

The aims of this meeting are to monitor the 2009 EFDA tasks, to kick-off the 2010 Work Programme and to establish the long term perspective of the Topical Group activity.

The tentative agenda is the following:

**8-10 February 2010**

Parallel sessions of the Coordinating Committees: CCIC; CCNB; CCEC; CCLH and CCFuelling & Pumping. The detailed agendas and exact duration/schedule for each Coordinating Committee will be prepared by the Chair Persons. Participants are invited to attend one or several Coordinating Committee meeting(s), according to their subject of interest.

**11 February 2010**

Plenary session of the Topical Group. Everybody is invited to attend.  
For this session, the following points are under consideration:

- General Presentation of the TG activity (TG Chair).
- Summary of the 2009 and 2010 Work Programmes (CC Chairs and TG Chair).
- Status of the JET H&CD and Fuelling/Pumping Work Programme, and synergies with the TG (JET TF Leaders).
- Status of the ITER H&CD and Fuelling/Pumping systems; discussions on the synergies between Fusion For Energy and EFDA work programmes (ITER representatives, F4E representatives and TG Chair).
- Preparation of the long term work plan of the H&CD Fuelling & Pumping Topical Group, including future hardware developments and R&D plans in Europe (EFDA, CC Chairs and TG Chair).

CEA/IRFM will host the meeting and take care of logistics and a meeting dinner will be organised. Transportation between hotels and CEA Cadarache will be available.

The meeting is eligible for Euratom Mobility Support.

Further information will be made available on the TG website: [www.tpg.efda.org/hcd](http://www.tpg.efda.org/hcd).

With my best regards,

Jérôme Paméla  
EFDA Leader
