PlasmaNet 10-13 4TH ITER International Summer School IISS 2010

"Magnetohydrodynamics and Plasma Control in Magnetic Fusion Devices"

31 May - 4 June 2010
AUSTIN, TEXAS, USA

website: <http://w3fusion.ph.utexas.edu/ifs/iiss2010/index.html>

The mission of the ITER International Summer Schools is to prepare young researchers to master the current and anticipated challenges of magnetic fusion devices, and to spread the global knowledge required for a timely and competent exploitation of the ITER physics potential.
This year the scope of the school is "Magnetohydrodynamics and Plasma Control in Magnetic Fusion Devices"

Key Dates:

Registration secured by 30 April 2010 \$300
Registration secured on or after 1 May 2010 \$400
The deadline for Abstract Submission is Friday, 30 April 2010.
Housing Accommodations Deadline: 6 May 2010
