23rd IAEA Fusion Energy Conference, 11-16 October 2010, Daejeon, Rep. of Korea

Final ANNOUNCEMENT AND CALL FOR PAPERS

The International Atomic Energy Agency (IAEA) is happy to announce its forthcoming 2010 Fusion Energy Conference (FEC 2010).

The 23rd Fusion Energy Conference will be taking place from 11-16 October 2010 in Daejeon, Republic of Korea and is being organized by the IAEA in cooperation with the National Fusion Research Institute, Yusung-gu, Daejeon, Republic of Korea.

Relevant information pertaining to participation and paper contribution to this conference can be found in the attachment and is also available on the Conference Web Site under <http://www-pub.iaea.org/MTCD/Meetings/Announcements.asp?ConfID=38091>.

Prospective participants wishing to present a paper or poster during FEC 2010 must submit a two page synopsis and an abstract, both in electronic format (no paper copies) directly to the IAEA. The synopses (in Portable Document Format - PDF) and abstracts must be submitted through the IAEA's web browser based, password protected file submission system, called LISA between 01 March - 02 April 2010. LISA can be accessed using a web browser through the following Internet address:

<http://www.iaea.org/cgi-bin/lisa-FEC2010/start>

The password for first time login into LISA has been set to fec2010 (please note that this is case sensitive)

Any request for additional information should be sent to [physics@iaea.org](mailto:physics@iaea.org)
