Dear all,

As announced during my presentation today in Barcelona, we would appreciate having a **name within each Association for dealing with Intellectual Property related issues.**

The selected person will be the contact point for discussing IP relevant issues ranging from the harmonization and fine tuning of F4E procedures to the discussion of specific IP issues related to the grants signed with the associations.

Once we have received the name of the contact points, we will call for a 1<sup>st</sup> meeting at our premises, if possible by the Summer time or soon after. The date and agenda of the meeting will be established as soon as possible.

Please find enclosed a copy of today's presentation in Barcelona for your information.

We would appreciate having the name of the selected person by the 14<sup>th</sup> May

Sincerely

**Víctor SAEZ**
