Associations and to the Representatives of the new
Members states and associated countries.

Subject: Vacancy at EFDA Garching

Dear colleagues,

As indicated at the last EFDA SC, I am now advertising the position of Head of Department for the Power Plant Physics and Technology activities.

The corresponding job description is attached. The position should be filled as soon as possible in 2010. I would be grateful if you could broadly advertise this position and identify suitable candidates in your Association/Laboratory.

Applications should be sent to the EFDA Leader, Garching office, through the Head of Research Unit. The deadline for application is 15 September 2010.

Please do not hesitate to contact me if you have any further question.

Yours sincerely,

Francesco Romanelli
EFDA Leader
