Our ref.: FR/ag-10-13
Date: 26 July 2010
Email :

**To the Heads of Research Units in EU Fusion
Associations and to the Representatives of the new
Members states and associated countries**

Dear colleagues,

Subject: Vacancy at EFDA Garching

With this announcement I would like to encourage Associations to propose suitable candidates to the following open position at EFDA CSU Garching:

EFDA Public Information Responsible Officer position

The corresponding job description is attached. The position should be filled at 1 November 2010. I would be grateful if you could broadly advertise this position and identify suitable candidates in your Association/Laboratory.

Applications should be sent to the EFDA Leader, Garching office, through the Head of Research Unit. The deadline for application is 10 September 2010.

Please note that at the EFDA SC in Dublin I proposed a single Public Information Group for EFDA taking care of the activities carried out in both CSUs. Since the final decision on the new EFDA organization will be taken at the October EFDA SC, the location of the job (either Garching or Culham) is presently kept open.

Please do not hesitate to contact me if you have any further question.

Yours sincerely,

Francesco Romanelli
EFDA Leader

Encl.
