Date: 9 October 2014

**To the Members of the General Assembly**

**Subject: Annual Work Plan 2015**

**Call for participation: EUROfusion Engineering Grants**

Dear colleagues,

The 2015 Annual Work Plan includes an Engineering Grants Programme which aims to encourage excellence and career development of young engineers who are already in the programme or attract high quality potential candidates from outside the programme. In 2015 it is foreseen to award about 20 grants.

With the present letter I invite you to submit proposals for the 2015 EUROfusion Engineering Grants programme. Details of the overall procedure are indicated in the attached documents:

- Call for participation
- Annex 1 List of positions
- Annex 2 Guide for applicants

Proposals must be sent by e-mail to PMU Administration ([emilia.genangeli@euro-fusion.org](mailto:emilia.genangeli@euro-fusion.org)) not later than **5 December 2014**.

Following the first step of the selection, the evaluation panel will invite the shortlisted candidates for an interview. The candidates are expected to be available for the interview to be held in Garching between 9 and 20 February 2015.

Should you have any questions, please send them to [emilia.genangeli@euro-fusion.org](mailto:emilia.genangeli@euro-fusion.org).

Yours sincerely,

**Tony Donné**  
Programme Manager
